

## Application Note      No. AP\_2006\_07-1e

Date:                      15.02.06

Author:                  S. Leimer

For the power supply modules AN of the series AMKASYN AN/AZ/AW a new fuse carrier is built in. The new fuse carrier is compatible to the old one. The AMK part-number will not change. The device revision is increased.

Former fuse carrier in the AN module
